Cleaning and Protection

IHG has a long-standing commitment to rigorous cleaning procedures. Launched in 2015, the IHG Way of Clean programme was developed with Ecolab and Diversey, both world leaders in hygiene and cleaning technologies and services. This programme is now being expanded with additional COVID-19 protocols and best practices - many of which are already in place - to reflect the advice of the World Health Organization, Centers for Disease Control & Prevention and local public health authorities in markets around the world.

Overall Key Enhancements

- Added cleaning and disinfecting frequency
- Minimized guest touchpoints through operational changes
- Visible sanitizer stations in public and colleague spaces
- Protective Equipment guidance for staff • Social distancing protocols and visual cues
- IHG Way of Clean training completed by all appropriate staff members
- Appointment of Clean Champions in every hotel

Arrivals/Front Desk

- Reduced contact and physical interaction at check-in
- New cleaning procedures with increased disinfecting frequency of high-touch surfaces
- Social distancing protocols
- Hand sanitizer available

Public Spaces

- Social distancing practiced including spacing of furniture

- Increased frequency of sanitizing and disinfecting high-touch surfaces
- Hand sanitizer stations available throughout all public spaces

Guest Rooms

- Increased disinfecting of all hard surfaces and fixtures
- Removal of non-essential items (in-room collateral or other high-touch items), available upon requests
- Rooms audited for cleanliness
- Upgraded laundry protocol
